

**Welcome to our Spring Newsletter****News from the Committee****Publicity**

Spring sees the launch of our new publicity and new picture logo. Leaflets and A5 flyers have been designed for public display and we hope they will encourage new growth into the group by increasing memberships numbers, which at the moment stands at 16. You can see some of the new design in this newsletter which flows through all our publicity and there will be some changes to the group website. The articles publicised in the monthly directories promoting the group will continue throughout this year. If anyone at anytime has any ideas they would like to share or would like to contribute to these articles or the newsletter please consult with Lorraine.

**Tour of the Guildhall**

Catherine Buchanan has offered to give the group a guided tour of the Guildhall in Bury St Edmunds which has undergone some recent refurbishment. Catherine gave a presentation in February and in return for her time she would like a donation to be given on the day of the tour, to the Guildhall. This is open to all members of the group, not necessarily on a meeting date and car sharing to save cost to be considered, bearing in mind the venue is in the town centre. Up to 20 people can go including partners/carers/friends/family. If you are interested dates and times can be arranged.

**Summer Outing**

Booking confirmed on the Waveney Stardust Stalham All Day Cruise on Wednesday 24th July 2019. Time: 11am-11.30 to 4.30-5pm. Cost £180 for 12 people. More details on transport to and from the destination and members subsidy to follow at a later date. If you would like to go on this boat trip please contact Debby or speak to her at the next meeting.
